Call for Volunteers

your help to keep the club successful. We have opening for Park Representatives, Event Coordinator, Membership Coordinator and other key positions. Most of the positions require just a small amount of your time each month and attending the monthly meetings to report out

on your items. If you are not able to fill one of the open positions we always have a need for members to join our trail work days or help as ride leaders. If you would like to be a part of team that makes this happen please let us know by email to Sharemtb@gmail.com

Barham Ranch Day

Once again SHARE will be there to help out at the Barham Ranch Day celebration. This event celebrates the 8th Anniversary of the acquisition of 509 acres of open space land to Santiago Oaks Regional Park. The event will begin at the Nature Center at 10:00 a.m. Guides will lead hiking, mountain biking and equestrian tours through the park over a different series of trails. - Hikers can participate in one of three (easy, moderate & advanced) guided interpretive hikes. - SHARE will conduct a basic trail repair course and then lead an intermediate level ride. - Equestrians can meander through Barham Ranch and enjoy the scenery on a relaxing slow paced ride. Afterwards, everyone will gather at the oak tree canopy covered picnic area to relax in the shade and enjoy music and country style BBQ. The event will conclude by 1:00 p.m. Reservations required, please call (714)973-6622 to sign-up
