R.E.I Bikefest

SHARE manned an information both at the R.E.I. stores in Huntington Beach and Tustin. R.E.I. was promoting cycling in Orange County by inviting clubs and suppliers to show what they have to offer the cycling community. Basic Bike Maintenance classes, free bike fittings, test rides along with prizes were available to those attending the event along with demonstrations from Bikeskills.com. With representation from the Orange County Bicycle Coalition, the Bicycle Club of Irvine, the Trail Angels this was a great opportunity for these clubs to get their name in front of the public. Check out this link to a video from R.E.I.
